

A detailed illustration of a steampunk city. In the foreground, a woman with short red hair, wearing a dark jacket and a backpack, is seen from the side, looking out over a dense cityscape. The city is filled with numerous small, multi-story buildings with varied rooflines. In the background, taller, more industrial-looking structures rise. Several large, oval-shaped airships or blimps are floating in the sky, some with visible propellers and rigging. A large, dark, mechanical structure, possibly part of a larger airship or a bridge, hangs from the top of the frame. The overall color palette is muted, with greys, browns, and a touch of red from the woman's hair.

Unlucky
